.... RAVENNA, OHIO

Dedication

This year we seek to disprove the adage, "A prophet is not without honor save in his own country." Therefore, we give honor to those who have given years of their lives to the education of Portage County youth.

Patiently serving the public, the classroom teacher is seldom given the praise she deserves—for it is she who moulds much of the character symbolic of American living. Teacher, we salute you. From the day we start to school until we graduate, your ideals guide us; your hand leads us through our perplexities and on to our success. If we fail, we know your sympathy will inspire us to try again and to keep trying.

The title page and the entire Speedometer of 1952 is dedicated to you. The pictures appearing on the title page are those of teachers who are oldest in years of service in their particular school buildings. They represent all of you.

Our wish is that your influence may never diminish and your worth may be better realized through the coming years.

Assuming that the title page contains three rows of pictures, the teachers beginning at the bottom left of page are:

Mrs. Zelda B. Dulebohn—Streetsboro School—Started career at age of seventeen. She attended the following schools: Emporia, Kansas Normal School, Chicago University, Northwestern Teacher's College, John Marshall College in Huntington, W. Va., Kent State University, where she received her Bachelor of Science degree in Education in 1943. She has taught nine years at Streetsboro.

Dr. Max Sternlieb

Health education is the key to effective school and community action for improved health. All programs are planned with school administrators, teachers, parents, physicians, dentists, and other interested groups and individuals for a coordinated and effective program. The public health nurse's work centers on the family and stretches from the home into all parts of community life. The nurse works closely with the physician, sanitarian, health educator and other members of the health team. In the same way she cooperates with civic groups and leaders. The first diabetic program in Portage County was sponsored by the Portage County Medical Society in connection with National Diabetic Week—November 11th, 1951 through November 17th, 1951. Tests were performed in the county schools and included children, as well as adults. Number of adults tested, 725; number of children tested, 7,771. Total, 8,496.

Your County Health Department offers valuable services to you. You will benefit to the extent you use these services. Working together, physicians, dentists, official and voluntary groups and citizens, we will accomplish our goal, **BETTER HEALTH IN PORTAGE COUNTY.**

Hi Kids, Welcome to another eventful year at A.H.S. The excitement of seeing all the kids once more and the greeting of our new teachers as well as the same ones we had last year, remind us that school is here once more.

Jerry Green was chosen president of the Seniors, Diane Ford the Juniors, Helen Loudin the Sophomores, John Krichbaum the Freshmen, Nevin Wertenberger the Eighth Grade, and Wanda Russell the Seventh Grade.

Our cheerleaders were elected and Joanne Smith, Joyce Smith, Betty Miller, and Joanne Anderson led the "rah-rahs" for the Varsity while Betty Wearley, Dorothy Richards, Betty Russell, and Wanda Jones were chosen for the Reserves.

Our Athletic Auction was held in October and was quite successful. The highlight of the fall activities was

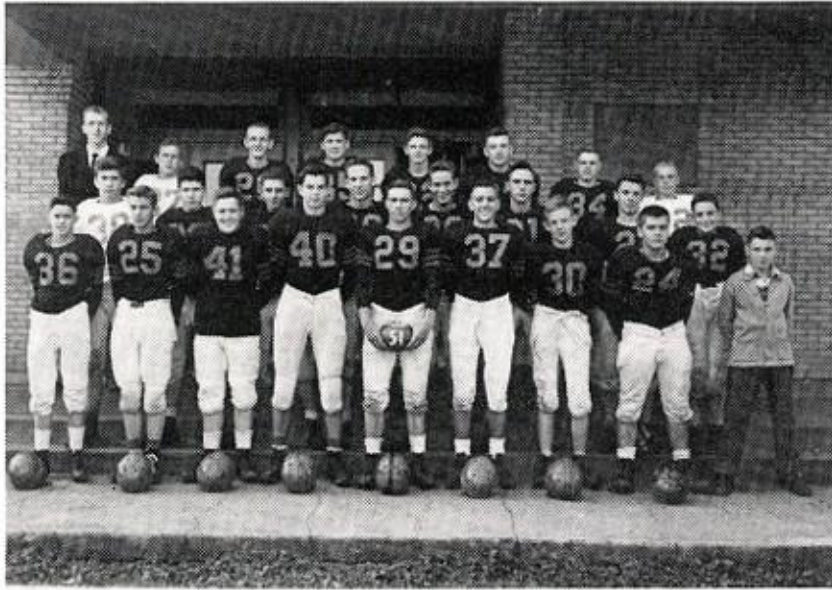

our fifth annual Homecoming over which Betty Miller reigned as Queen and Tom Craven as King.

Our football season was well under way by now but not doing so well as we had hoped, but we were always willing and ready to back our team.

It wasn't long before the Juniors got their rings which were very pretty and proudly sported their maroon and white jackets.

In May the Juniors gave us a Prom—that will remain forever in our memories.

Soon we left for our trip to Washington, but after we got back there was Baccalaureate and Recognition Night. Then came the day, Commencement, a lump in every throat, a tear in our eyes, our diplomas, and saying goodbye for the last time as a class of Atwater High.

HIGH
SCHOOL

Our high school building, constructed in 1914 at a cost of \$42,000, has nine classrooms for grades seven through 12. It also houses a manual training room, a cafeteria, and a kindergarten.

Our new grade school, built at a cost of \$113,000, was opened for use in November, 1949. We are proud of its six classrooms and five service rooms, its modern desks, lockers, and green chalkboards.

Our superintendent, Mr. Swartz, came to us in the fall of 1948 from Solon. He has his Master's Degree from Kent State University and is working for his Doctor's Degree at Columbia University. He is a native of Portage County and began his teaching career in Suffield.

Brimfield

First Row: Mr. Gregory, Mr. Carlin, Miss Elfring, Mrs. Kerwin, Mr. Barton, Mr. Gamble.

Second Row: Mrs. Brown, Mrs. Hyde, Mrs. Flint, Mr. Smith, Mrs. Dearsom, Mrs. Merrell, Miss Briggs, Mrs. Kneale.

Hi Gang:

Brimfield opened the 1951-52 school year with fifty new students. The enrollment now totals three hundred and seventy-five students.

The new members of the faculty are Mrs. June Brown, Mrs. Elizabeth Hyde, Miss Janice Elfring, Mr. William Barton, Mr. Roland Gamble and Mrs. Pauline Kneale, secretary.

Mr. Terrango, a speech therapist, is working with some of our students in speech correction. He is doing a fine job.

During the month of October the ninth grade sponsored a hayride. Everyone had a swell time.

The magazine sale continuing from the fifth through the 19th of October was a great success.

Diabetic tests were given Friday, Nov. 16 to all the pupils in the school. We would like to express our appreciation to the two local nurses, Mrs. Edward Pryce and Mrs. Frank Loomis, who assisted Mrs. Carnahan.

Old Man Winter repeated his act of last winter by extending Thanksgiving vacation two days due to snow.

Comic books were brought in by the students in November to help with the Muscular Dystrophy Campaign. Tom Smith donated 108 comic books.

Defense stamps will be sold throughout the year, starting in December, sponsored by the freshman math class.

Brimfield, Franklin, Brady Lake and Streetsboro have formed a basketball league. We look forward to many exciting games.

A Christmas dance was sponsored by the room mothers of the Junior High.

The P. T. A. sponsored a chili supper October 27, 1951. A P. T. A. Christmas program was given December 13 with the help of our music teacher, Mrs. Josephine Flint. The band also presented a program under the direction of Mr. Roland Gamble.

We are looking forward to more social activities during the second semester. One of our most important activities is our May Day celebration. The May Queen will be chosen by the Junior High. Her escort will be Thom Petrini, the freshman president.

Charles Sprague, as Captain of the Patrol, is doing a very fine job.

Everyone is anxiously awaiting our annual visit to Geauga Lake.

We are looking forward to lovely Commencement and Baccalaureate.

School opened September 4 under a new name, The James A. Garfield School District, with students from Freedom welcomed to our Tri-Hi group. Our enrollment was now 792 in the whole district as compared to 464 last year. There were 190 in the upper four grades as compared with 128 last year.

With Mr. Orson E. Ott at the helm, and with Mr. Fred S. Cover at Nelson and Mr. Richard Kirker at Freedom, in a comparatively short time we were running as smoothly as though we had always been consolidated.

There were several changes made in the Garrettsville building to meet this increased enrollment. The study hall was divided, redecorated, and florescent lighting added. The large fifth grade room was divided in order to accommodate the sixth grade in the other half. The kindergarten which had been meeting in the Methodist Church was installed in a nicely decorated room in the basement. It was necessary for Mrs. Hazel Davis to have a morning and afternoon group in order to accommodate the 41 little folks enrolled.

The change back to the 8-4 plan welcomes Mr. Richard Keith as the eighth grade teacher and Mr. James Riedinger in the seventh.

The Board of Education, Mr. Robert Layer, President; Mr. Roy Paul, Mr. Mahlond Maur, Mrs. Carolyne Weasner, Mr. Emerson Hahn, and Mr. George Winchell, worked hard planning and organizing the consolidation that confronted them at the beginning of the year.

Mr. Frank Perdue, custodian of the Garrettsville building, Mr. Walter Kennedy at Nelson, and

Mr. B. L. Burnham at Freedom did a splendid job of keeping the buildings clean and in fine working condition.

The football players made their debut at the Annual Grotto Review on September 7 and finished the year with three wins and five losses. The highlight of the season was the victory over Ravenna Township whom we had not beaten in more than 15 years. Three of our team won honors on the All-County Second Team—Jim Pesicek, HB; Ted Jindra, C, and Ray Pixley, End.

On September 19, Mr. Davis came to the Garrettsville building to take pictures of Hiram, Windham and Garfield seniors.

At the end of the first six weeks, Mrs. Jane Ott was hired to teach vocal music in all three schools.

To celebrate Homecoming on October 26 the seniors held their annual Harvest Dance over which Jean Bowen, '52, reigned as Harvest Queen attended by Barbara Leedom, Nancy Ginther, Lana Brokaw, Louise McCandlish, Barbara Veits, Shirley Wilcox, and Linda Sebastian. First graders, Elaine Whitney and Mary Kathleen Ott, were flower girl and crown bearer to the Queen.

The Student Council supervised the School Fair on November 9, the funds from which provided our assembly programs through the year. During this year we enjoyed William Haaker, pianist; Harry Welch, "Pop Eye"; Elliot James, physicist; D. K. Ernst, hypnotist; A. Franklin Stewart, Indian folk-lore, and Jack Rank, actor in the Merchant of Venice.

Mrs. Marjorie Olin became office secretary in October and ably handled much of the clerical work that had to be done.

Basketball practice started in earnest after the Thanksgiving vacation. We had a tough schedule and a splendid team which performed faithfully through the whole season under the coaching of I. J. Sanna.

Christmas vacation started earlier than planned due to a heavy snowstorm that week. Those who braved the storm on the last day enjoyed the gift exchange and the program sponsored by the Student Council.

During Christmas vacation, the gym was completely redecorated and the stage curtains cleaned.

The Y-Teens held their annual Holiday Hop on December 27 in the Freedom gym.

There was little in the way of entertainment from the mid-year exams in January to the first of May except the annual Hi-School March of Dimes Party on January 31, a most welcome Easter vacation in April and the junior play on April 18.

The first of May saw the seniors off to Washington, followed by the Junior-Senior Prom on May 17, Baccalaureate on May 18, and the long awaited day, May 22, on which 39 seniors graduated.

After several days of final exams, the completing of records by the teachers, and Recognition Day, the school enjoyed its annual school picnic at Geauga Lake on May 26. Another successful year came to an end.

School Song

To Hiram High, the school we love,
We sing this song of praise,
Tell of her many victories won
And how high her banners raise.
We'll glorify our alma mater,
Work for her with zest
And show to all the world around
That Hiram High is best!

So let's join in the cheer
While we're all gathered here,
Cheer for old Hiram High.
Rah! Rah!

We are ready to fight
For the red and the white.
Dear old Hiram High.
For her honor and fame
And her glorious name,
We will cheer every loyal man.
So cheer, cheer, the gang's all here,
We're all out for Hiram High.

Mantua-Shalersville High School opened with a total enrollment of 165. Principal R. E. Millhone introduced the new high school teachers: Chester Casagrande, physical education and driver's training; Richard Majoy, physical education, history, and science; Robert Dachtler, English and speech; George Converse, chemistry; Mrs. Jane Burns, business; Mrs. Loleita Stutz, home economics, and David Shaffer, instrumental music. Welcomed back were Mrs. Madeline Davis, Clifford Beckwith, Kenneth Folger, Mrs. Helen Alger, and Mrs. Harriet Hendrick.

A new business department was set up and a great deal of office equipment added. The school paper The Gazette, advised by Mrs. Burns, was reorganized. Editor Betty Horner, with her energetic staff, published many delightful articles on school activities.

The grade school at Mantua Village, including the first through the sixth and the eighth grades, enrolled 184 students. Mrs. Pauline Coward, the only new teacher, assumed the duties of the third and fourth grades.

The year's activities were many and varied. Among them were the nature studies by the first grade, colorful wall murals by the second grade, and an extensive Indian project by the third and fourth grades, which included the making of Indian costumes and tepees, besides the learning of Indian songs.

The new speech and drama department under the direction of Robert Dachtler started its year's activities with a very successful production of James Hilton's memorable drama, "Lost Horizon," by the senior class. This production, something different in Mantua's recent dramatic history, was enthusiastically received by the community. In March the high school contributed to the successful performances of Shakespeare's "Romeo and Juliet." This, too, was a milestone in Mantua's dramatic history.

The junior class, late in April produced a mystery comedy, "The Mystery of the Whispering Bell."

The high school Debate Society and Senior Speech Club held debates in the latter part of the year in assembly as part of their activities. In the spring the outstanding Thespians of the high school were initiated into the Speech and Drama Club.

After several months of work the cataloguing of the library is complete. A new card file has

The eighth grade, with instructors George Converse and E. Gordon Boster, held several parties at which the students learned square and round dancing under the capable direction of Mr. Converse.

The eighth grade was also proud of its fine basketball team and its cheerleaders. The team, coached by Mr. Converse, made a record of five wins and four losses in league play and beat Aurora for the northeast county tournament championship.

been made to accommodate the 1600 books and periodicals now on the shelves. Donations of books by various members of the community have enlarged the library. Mrs. Davis with her efficient student staff has completed the work.

The Beta Club has almost doubled its membership this year. Margaret Toth represented the organization at the Ohio Beta Convention in Akron.

Of the nine students taking the Senior Scholarship tests, four placed in the county, which brought considerable honor to the school. In May our representatives to the District State Scholarship tests at Kent greatly justified our hopes for their success.

The newly organized Student Council of fourteen members, under the presidency of Michael Hoaglund, instituted the monitor system in the high school, and sponsored Leap Year Day activities, enthusiastically received by the student body.

The Mantua Center elementary school started another successful year with a total enrollment of 286. The students were greeted by the same faculty as last year.

A very successful P. T. A. membership drive was held in October netting 207 members. The P. T. A., as a project for the betterment of school life, supplied the rooms with reference books, dictionaries, electric clocks, and games. In October and December the P. T. A. gave a party complete with prizes, treats, and entertainment.

At about 11:30 a. m. each day a parade of hurrying children start downstairs to the cafeteria. Managed by Katherine Stimpert, the cafeteria serves over 200 students each day.

Some interesting projects of the classes in-

cluded a coin collection of the sixth graders. Barbar dimes, buffalo nickels, mint marks, and "Who found a 1909 S VDB?" are common talk. Other projects were Easter stained glass windows, glass etching, and silk screening, ceramic jewelry for Christmas gifts.

The March of Dimes drive in the school turned in a total of \$156. In the intermediate grades, a magazine subscription drive was held. The money earned in the past two years from such drives was used to blacktop a portion of the playground for use as a basketball court. The kindergarten presented a circus in early March. The ten big acts on the program were all performed by the children.

May brought thoughts of but one thing—the termination of the school year—at long last!

When the school bell rang at Shalersville in September, the students were greeted by two new teachers, Miss Maxine Knight in grade two and Mrs. Eileen Kutinsky in grade three. Mr. Norman Park, who taught at Mantua Local last year, assumed the duties of the seventh grade at Shalersville under the new consolidation. The returning teachers were Mrs. Jessie Elfring in grade one; Mrs. Elizabeth Smith in fourth grade; Mrs. Alma McFarland, who taught Junior High last year, fifth grade, and Mrs. Maud Gick, sixth grade after the fifth and sixth were divided.

All welcomed the sight of the new building in construction though naturally it caused some inconveniences and quantities of mud in which to wade! However, visions of a new modern school building within a few months offset all present disadvantages.

Consolidation with Mantua has brought about many changes. Among these are a broader musical schedule under the excellent direction of Mrs. Helen Alger and David Shaffer, many new friendships among the pupils because of transfer of students,

exchange of ideas, and pleasant friendships between the teachers and the three schools.

The P. T. A. under the capable direction of Mrs. Donald MacLearie, President, and Mrs. Donald Chamberlain, Secretary, has been a most active and co-operative group. Mrs. Harry Moore and Mrs. Ralph Hollenbeck, Jr., acting as co-chairmen of the pre-school group have had a well-planned program throughout the year. The Fall Festival and Halloween Party were other activities sponsored by the P. T. A.

Many others who contributed to the success of the school year were Mrs. Clara Kimes and Mrs. Ann Poots, who prepared delicious meals in the cafeteria; Mr. William Utterdyke, ever pleasant and accommodating custodian; the four bus drivers; a most capable Safety Patrol under the direction of Mr. Park; interested parents; hardworking group of room mothers, and a most co-operative board of education.

Thus another year of Shalersville school history draws to a close, a happy and successful year which will provide happy memories to all those involved.

The music department has had an interesting year with Mrs. Alger, full-time vocal teacher, and Mr. Shaffer, part-time instrumental teacher.

In December the girls' glee clubs presented a Christmas Concert my candle light for the P. T. A. at Mantua. The grade school at Shalersville gave a Christmas operetta, "The Lost Doll," in January, because they were "snowed in" on their December date.

The music calendar for March was filled with activities. Eighteen students greatly enjoyed taking part in the Mount Union Music Festival at Alliance. Our 35-piece band, mixed chorus of 40 voices, and the girls' vocal ensemble participated in the county festival program at Ravenna Twp. along with Southeast and Ravenna Twp. The girls' vocal ensemble and several instrumental soloists were our entries in the state contest at Kent.

The high school operetta, "Up On Old Smoky," given in May, was colorful and enjoyable. The grade operetta, "On a Midsummer's Day," was given by the lower five grades of Mantua Village and by the corresponding grades at Mantua Center, using the same costumes for both.

The football season started with a new head coach, Chester Casagrande, assisted by Richard Majoy. In a way, the season was a disappointment for all of us, but next year with the return of 12 lettermen, we hope to have more success. A Homecoming Dance followed the season with Queen Wilma Mantsch being crowned and presented with a gold football by co-captains Donald Stimpert and Bob Mapes.

Our basketball team while not the best, had plenty of drive, determination, and spirit, which made each game well worth seeing. The squad was captained by Jim Whitley.

Jim Whitley gained recognition by being chosen for the All-Tournament basketball team while Bob Mapes made honorable mention on the All-County football team. We resumed spring sports after a one-year layoff. Track replaced baseball and many boys participated in this sport. At a banquet in their honor the athletes and cheerleaders were awarded their letters.

After a successful season, in which our freshman team played in a league composed of Mantua, Windham, and Randolph, and three class "A" schools, Kent State High, Kent Roosevelt, and Ravenna City, our plebs won the tournament by beating Randolph 29 to 26 in the final game at Randolph.

The agriculture department and F. F. A. in their second year at our school have given several of the boys good starts in successful farming.

The P. T. A. with Mrs. Clayton Groves, president, contributed much towards the improvement of our school. New curtains for the stage and several parties for the students were just a few of their projects.

The month of May was a busy one for our school. The senior trip, the Junior-Senior Prom, Senior Day, and various other activities kept our seniors busy until their long awaited graduation on May 23.

On September 5, the Randolph students hurried back to school to find what was in store for them in the coming year. There were six new teachers, Mrs. Lentz, Mrs. Bunker, Miss Nelson, Mrs. Meacham, Mr. Morgan, and Mr. Spechalske, as well as the old familiar ones, on hand to greet them.

During the football season the entire student body, as well as many other people, watched the progress of the Randolph team, which gained the title of Co-Champions. We are all very proud of the team. Hank Greenberg spoke at a fine football banquet honoring the team.

Jointly the faculty, townspeople, and the students made a success of the "Fun Versus Vandalism" Halloween Party. Everyone who took the group dancing lessons this year especially enjoyed this party and the other dances.

The Homecoming Dance was held the first week in November. Margie Wilhite was elected queen by a landslide.

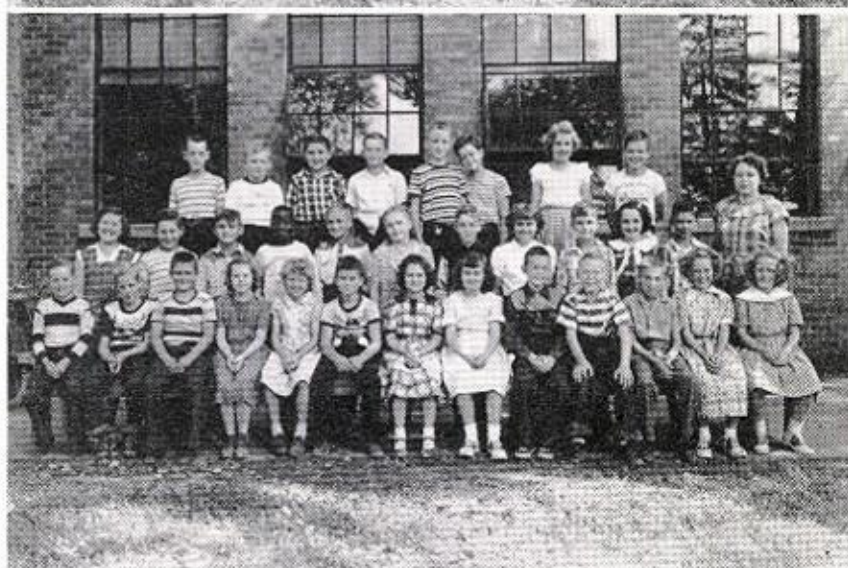

Later in November, the Seniors presented their play, "A Little Honey." The same month they

sponsored a hillbilly show starring Eddie Wayne and the Hometown Jamboree.

The height of festivities during the Christmas season was the Juniors' "Show Ball," a formal dance at which eight candidates from Portage County competed for the title, "Snow Ball Queen." Ruth Harris, from Ravenna Township was selected for this honor.

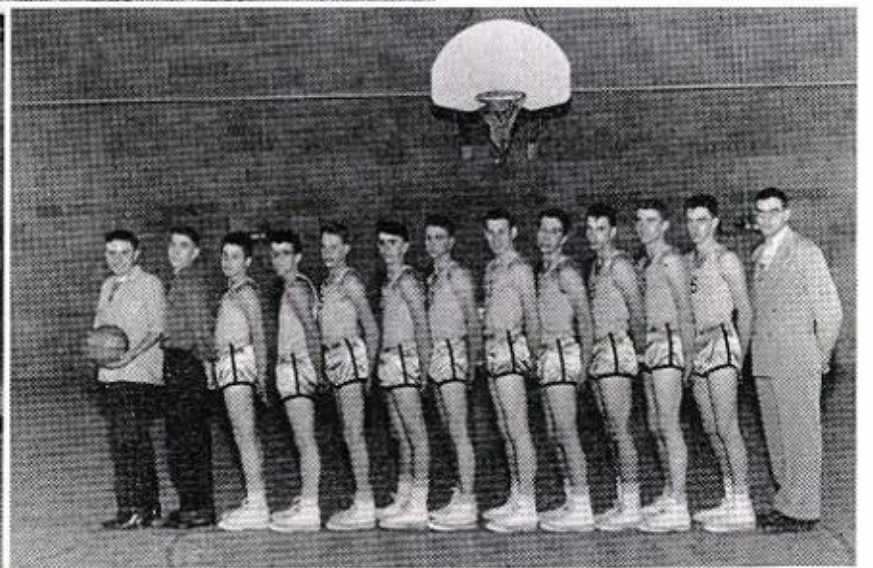

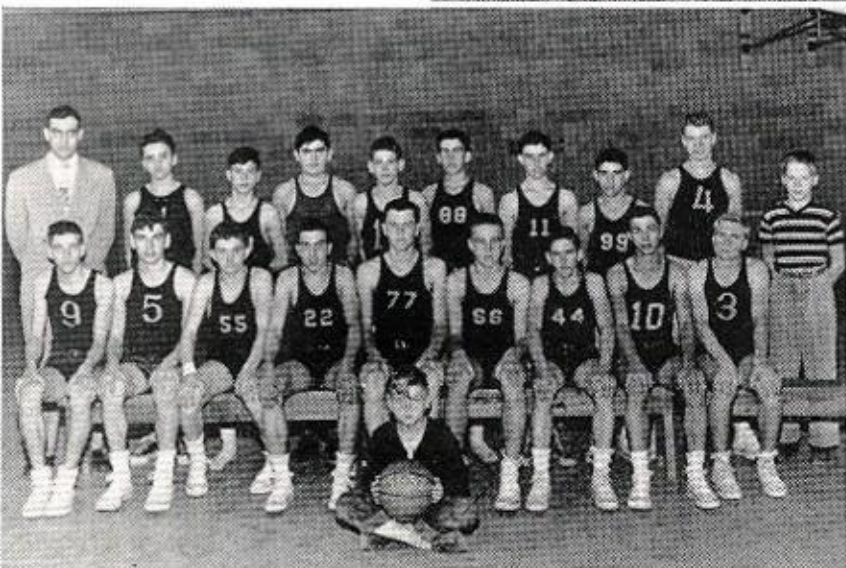

The basketball team did very well this year, going to the sectional tournament in Kent. The Junior play, "The Inner Willie," presented in the Spring, was a great success. The splendid results of the Junior-Senior Prom were well worth all the efforts of planning and decorating. All the guests enjoyed the banquet and dance, which was held in the gymnasium amid Hawaiian music and palm trees.

Of all the nice things that happened this year, the Seniors thought the nicest was their trip to Washington, with the possible exception of graduation itself, the goal of every Senior. Although they had been looking forward to this day for 12 years, when it came they were a bit reluctant to leave. Good luck, Seniors!

Facts and Figures

In the little Red School House,
With our books and slate;
In the little Red School House,
We were always late—

Even that first day, when on September 4, 837 of us skipped gaily back to school, tanned and stupid. So happy were we to be back, that the thought of what torture the instructors had awaiting us was secondary. Even the teachers were jovial, momentarily forgetting their shattered nerves from last year.

In a week the chaos of the first hectic days was passed, and we settled down to our studies—and FOOTBALL!

September 7 marked the date of the Portage County Football Preview held at Ravenna Stadium. Through the remaining schedule our beloved "fightin' Bulldogs" furnished us with fun and excitement, if not with an impressive record. "Wait 'till next year!" says the faithful student body. We were justly proud of our high-stepping band, too.

The official closing of the football season was marked with the annual homecoming dance, sponsored by the Y-Teens. Ruth Harris, our lovely queen, reigned over the gala affair.

The Y-Teens made the dance a huge success. Much of the credit goes to our capable officers: Carolyn Wiles, President; Edith Scott, Vice President; Pat Evers, Secretary, and Margie Gasper, Treasurer.

During the elections in November we held one of our own, as the student body picked the Student Council leaders for the year. Jack Liddle was made top man, while Carolyn Wiles and Sally Pittman were elected to assist him.

We had an extra-long Thanksgiving holiday when Old Man Weather came through with a snow storm, much to the disappointment of all the students.

Basketball season was officially opened with a Basketball Carnival at Suffield. For weeks we faithfully followed the games. To us our team was colorful, and the "best."

As Yule-tide approached, the chorus and band presented a Christmas time program for the school. When the weather intervened, school was again cut short, and found ourselves free until January 2, 1952! Ruth Harris brought us another honor during the vacation, when she reigned as Snowball Queen over Portage County.

As the new year bounced in, we dragged back to school with new hopes in our hearts. This wasn't for long because semester exams loomed in the near future. Suddenly they were part of the past! The teachers calmly swept up the pieces of the less fortunate students, as we again found our stride.

Beta Club, our own honor society, picked up more honors at the State Beta Club Convention held at the Mayflower Hotel in Akron, at which we were hosts. On behalf of the club, Mr. Enlow welcomed the visiting Betas, and a state Vice President, Pat Barber, was honorably elected from our school.

Akron will never be the same since our Betas tore it apart. Even the Cleveland Baseball Stadium is miraculously standing after they enjoyed their annual baseball game treat.

One eventful day a strange odor stifled the entire school. "What happened?" wondered the startled students, as they rushed to open the windows. The scent was traced to the Lab, where experimental chemistry students innocently wondered what the confusion was.

The typing classes, who were picking diligently away the first semester, are using two hands now!

Unfortunately for the girls, the Junior English class is overruled by the stronger sex. The class got into some heated arguments concerning the abilities of the weaker sex. They even wrote essays on the subject, "Man versus Woman." Hostile attitudes mingled among the class for several days, but we all finally decided it was nice having the two sexes around.

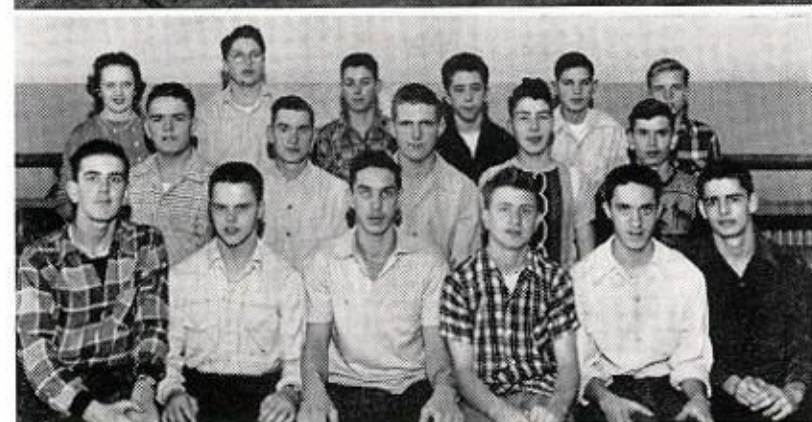

The beginning of track season held great expectations for everyone. Last year our team ranked first in the county and that was our aim this year. Richard Doak was the big star, as he placed second in the state in shotput. He gave us all a big scare when he fractured his elbow in a football game. Dick still intends to enter the contest again this year. The whole student body will be cheering him on.

"No Place Like Home," the Senior class play, caused a lot of the talking around the school. The Junior class was hoping for as huge a success in its play.

To coin an old expression, in Spring, a young Senior's fancy lightly turns to thoughts of GRADUATION! There was a mad whirl of excitement those last few weeks, but suddenly the long-awaited night arrived. Moments of regret swept over the Seniors, but new fields to conquer lay before them. We bade our old pals a sad adieu, hoping the next Senior class would be just as successful.

May 26 marked the beginning of three wonderful months of vacation. So farewell to all. Have a swell vacation!!

Rootstown

Rootstown School

September 5th. Back to school. There were many new students this year as well as new faculty members. This increase in the student body boosted our enrollment to an all-time high of 585.

Our new faculty members were Miss Brokaw, English and foreign languages; Miss Gill, Home Ec.; Mr. Pellegrine, Music; Mr. Wolfgram, football coach; Mr. Wilson, basketball coach, and Mrs. Makamyer, third and fourth grades. Our other faithful regulars are Mr. Cook, Principal; Mrs. Conley, History and H. P. E.; Miss DeSimio, Commercial; Mr. Hurd, Science and Mathematics; Mr. Harris, Industrial Arts; Mrs. Schnee, sixth grade; Mr. Johnson, fifth grade; Mrs. Dundon, fourth grade; Mrs. Rine, third grade; Mrs. Belding and Mrs. Irwin, second grade; Miss Priestly and Mrs. Hildebrand, first grade.

The whole school was lonesome when the Seniors visited Massillon to have their Senior pictures taken on September 24. October 6 was the date of the Senior Fall Festival which was enjoyed by everyone who attended. The Homecoming Dance was held October 12. Martha Smith was crowned Homecoming Queen of 1952.

Under the guidance of Howard Wolfgram, the football team acquired the title of Co-Champs of Portage County. They enjoyed a hayride in October.

The Junior play, "The Hoosier Schoolmaster" which was held November 16 was enjoyed by everyone. The outstanding character award was presented to Shirley Waller at the end of the school year.

On December 5th, the Girls' Club sponsored the annual football banquet which was enjoyed by the football team, teachers and guests. They also sponsored the pillow supper in January, a formal Valentine's Dance in February, and their annual Mother and Daughter Banquet in March.

The Seniors presented their play, "Seventeenth Summer" on April 25. The cast was as follows: Angie, Ruth Knapp; Margaret, Gloria Murray; Lorraine, Joan Moore; Kitty, Martha Smith; Mrs. Morrow, Mr. Morrow, Edsel Harris; Jack, Wayne Dundon; Jane, Shirley Biltz; Margie, Shirley Britton; Tony, Don Cheatwood; Art, Don Martin; Fritz, Bob Ward, and Martin Keefe, Audie Barnette.

At our annual honor assembly the mother of the year was honored. This year the mother chosen was Mrs. Vincent Ward. A mother is selected each year for her willingness to co-operate and aid in any way, our school projects.

Other honors presented that day were the Danforth Foundation Awards, Citizenship Awards and Athlete of 1951-52.

Virginia Arnold and Wayne Dundon were awarded the annual Danforth Foundation award this year. This award is given to the senior boy and girl who ranks highest in the following four phases of living: Physical, Mental, Social Leadership, and Religion.

The Citizenship Awards were given to Gloria Murray and Jim Staley. Both were chosen for their fine co-operation and outstanding citizenship in school.

The boy chosen as the best athlete was John Baber. Good sportsmanship and ability to play both football and basketball won this honor for John.

On May 14 the senior class left for Washington, D. C., on a Baltimore and Ohio conducted tour. They returned on Sunday morning at 6 p. m. tired but happy.

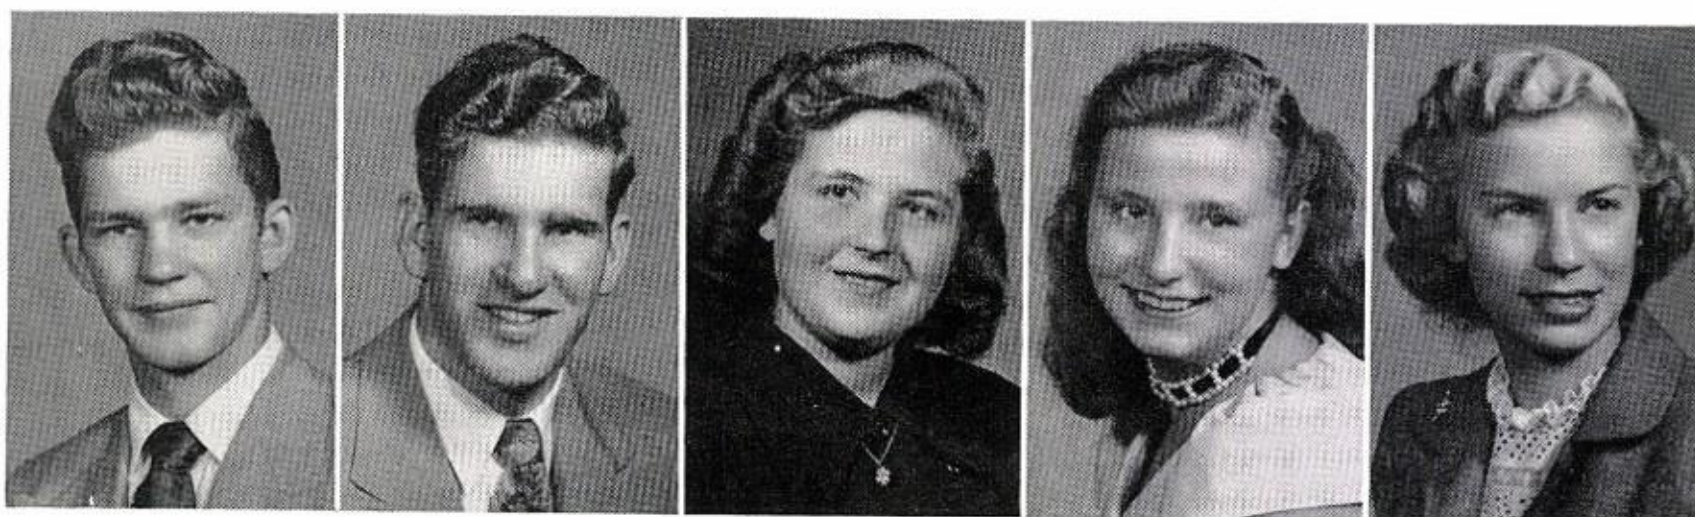

Baccalaureate services were held the same evening at 8 p. m. followed by Commencement on Friday, May 25.

ROOTSTOWN BAND

The band with new uniforms performed at the football games at home and away. Our drum majorette was Martha Smith, Senior. The other majorettes were Shirley Briton, Senior; Marsha Ballard, Freshman, and Janet Miller, eighth grade.

The band played at various assemblies throughout the year, including the Junior and Senior Plays, P. T. A. Fun Night, and other P. T. A. functions. The band this year was under the direction of Mr. Esotto Pellegrini, our new music leader. During the year the band performed at different schools as an exchange concert program and at the District Spring Music Festival. A School Concert was held

at Rootstown and the band performed at Commencement. The band year ended with the Memorial Day Parade and Program.

ROOTSTOWN CHORUS

The chorus under the direction of Mr. Pellegrini took part in many activities during the year. The first event was the Music Festival. Others were the District Spring Concert at Suffield, and the Exchange Concert with another Portage County School. The School Concert and other assemblies were held at Rootstown School. The final event of the year for the chorus was the Baccalaureate service.

ROOTSTOWN BASKETBALL TEAM Runners-up

November 30 Mantua 32-47

The Rootstown Rovers opened their season of basketball by playing Mantua. They led at halftime but dropped behind in the third quarter and failed to stop the Red Devils in the final quarter of the game. Roger Ward led us in scoring with 12 points.

December 1 Jefferson 48-51

The Blue and White traveled to Jefferson for their second game of the season. Both teams were evenly matched, but at the end of the game Jefferson was on top and we lost by three points. John Baber led the Rovers with 15 points.

December 7 Ravenna Twp. 42-46

A week later Rootstown took a short trip to Ravenna Twp. The Rovers had a good halftime lead, but in the third quarter fell behind as Township's forward Dave Wolf went wild in the second half netting 17 points to put the Bulldogs in front and take the victory. Forward Roger Ward netted 12 points for the Rovers.

December 8 Twinsburg 35-46

Twinsburg, a Summit County team, came to Rootstown for a Saturday night game. The Rovers had a bad night for the big Twinsburg team was just too much for the Blue and White. Ward and Williams were high point men with 27 points between them.

December 14 Southeast 68-30

The Rovers met Southeast and were really "clicking" as they went ahead in the first quarter and remained ahead throughout the entire game for their first victory of the season, Baber and Morter scoring 31 points between them.

December 27 Randolph 51-48

The Rootstown team, with one victory against four defeats, went into the Christmas Tournament at Suffield's new gym. The Rovers drowned out the Tigers for the most thrilling game of the year. Eddy Williams led us to victory by netting 18 points.

December 28 Atwater 54-42

For the second victory of the season the Rovers played their second game in the tournaments, shutting out the Spartans for another victory. High scoring Roger Ward played the best game of the year by netting 23 points.

January 4 Marlboro 43-45

Marlboro, an out of the county team, broke the Rover's winning streak of three games by beating them by two points in an exciting game. Ward led the Rovers with 16 points.

January 11 Hiram 78-33

The Blue and White traveled to Hiram for an easy game. The Rovers ran over the opposition team very early in the game. Coach Wilson used mostly his second five and went on for the victory. Ward was high point man with 18 points.

January 12 Randolph 48-44

The Rovers met Randolph's Tigers the following night, as they gave the crowd an exciting game. For the second straight time the Rover varsity nipped the Tigers, while center, John Baber, swished 18 points through the hoop and Randolph's Bob Asher, scored 17 points.

January 18 Atwater 77-56

The Rovers moved into Atwater's gym to shut out the Spartans by a big score, leading throughout the entire game. The scoring stars of the game were John Baber and Buddy Williams as they netted 45 points between them.

January 25 Suffield 57-47

Suffield was Rootstown's next victory where the

Big Red did not bother the mighty Rover boys. The Blue and White took the game easily and Ward was high point man with 19 points.

January 26 Southeast 59-31

The Blue and White traveled to Southeast where the Rovers had an easy go, Coach Wilson, using mostly his second five stayed ahead throughout the entire game. Buddy Williams, the Rover's guard, led us by scoring 12 points.

February 1 Aurora 54-32

The following week Aurora Greenies moved into town for a loss as the mighty Rover boys came through with another victory. Ward and Williams led us with 37 points between them.

February 2 Windham 35-49

The Windham Bombers came to Rootstown's gym for one of the most exciting games of the year. The Bombers, being the top leading team in the county, with not a loss to their credit, upset the Rovers. Roger Ward, the only one who seemed to be hitting, was high scorer with 18 points.

February 8 Garfield 42-47

The Rovers traveled to Garfield with revenge in their hearts due to the loss at the hands of Windham. They led throughout the entire game due to the spectacular job of Matt Benich, rebounding on the backboards. With only a few minutes left in the game, Garfield plunged ahead and won by five points. John Baber led us with 19 points.

February 12 Randolph 42-33

The Blue and White, dropping their last two games of the season, went into the tournaments with a record of nine wins and seven losses. The Rovers met the Tigers in an opener at Kent Will's Gym. They were really "clicking" as Ted Moter, Rover's guard, sank 13 points to give the Blue and White a victory.

February 15 Southeast 48-40

The Rover Boys traveled to Kent again where they picked up another victory by running over Southeast for their second tournament game. Roger Ward and John Baber were the scoring aces by netting 32 points between them.

February 19 Mantua 64-41

The mighty Rover Boys went to Kent for another big game, and a thrilling game it was, for they upset the Red Devils by a big margin. Center John Baber, gave the crowd an exciting game as he swished 22 points through the hoop.

February 22 Windham 37-61

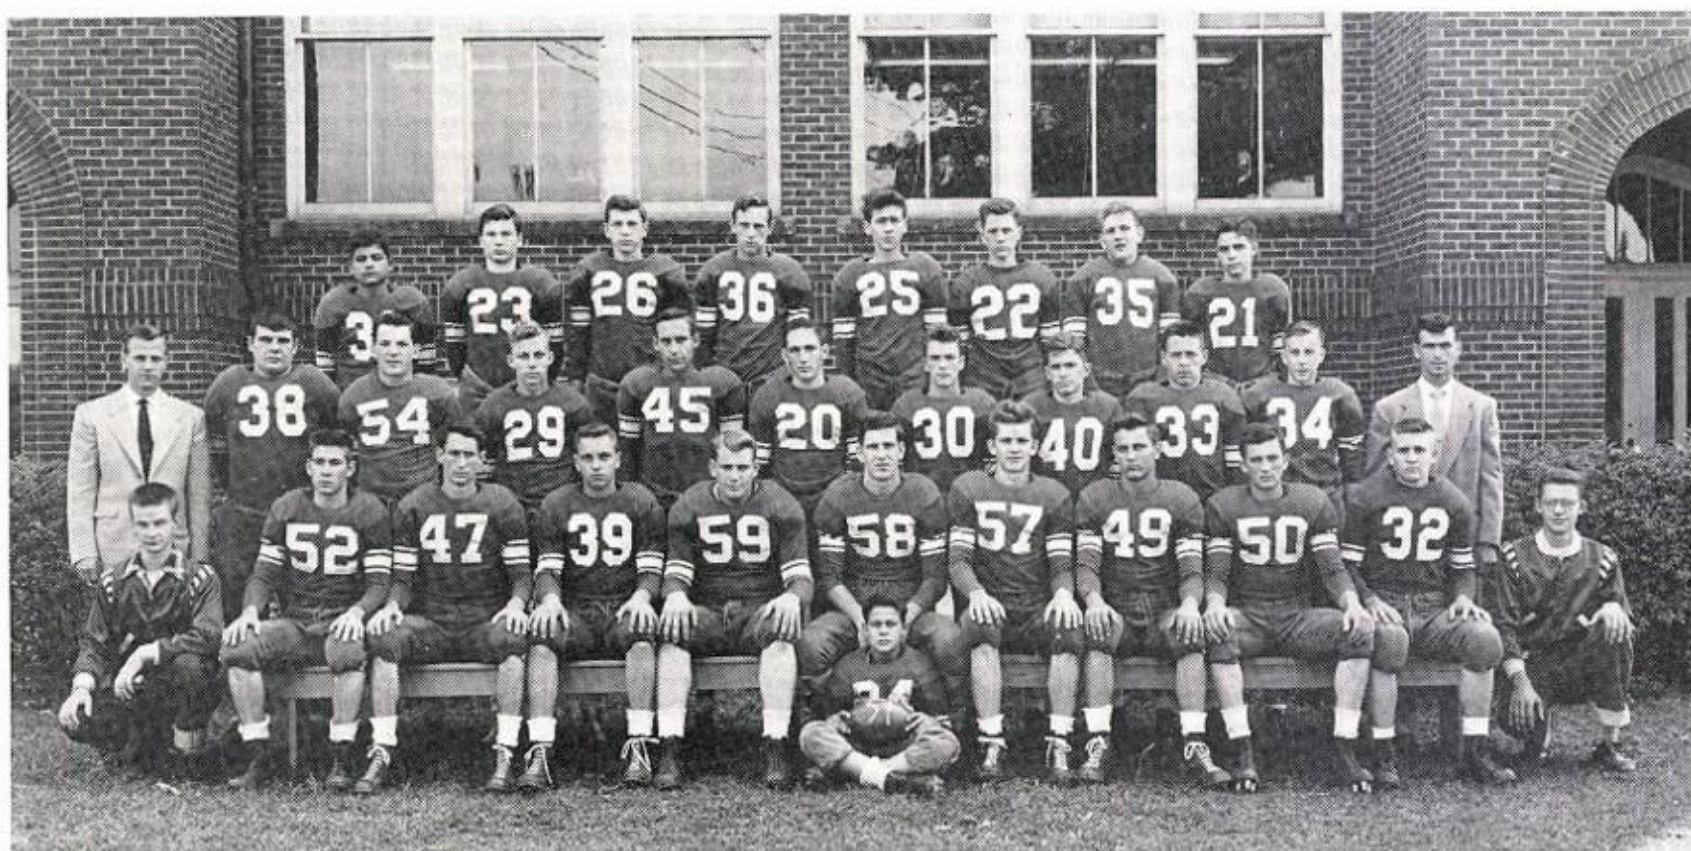

Netting three victories in the tournaments, the Rootstown squad had only Windham to play for the championship. Packed stands of fans watched the Rovers and Bombers battle it out. With Rootstown having a bad night, the Bombers took the Rovers for their 22nd straight game of the season, also taking the championship, leaving the Rovers with second place. The high point man on Rootstown's side was Roger Ward with 12 points.

February 27 Canal Fulton 41-59

The Blue and White with second place in Portage County tournaments, went to Kent's new fieldhouse to play their first sectional tournament game. Rootstown had another bad night as Canal Fulton ran over the Rovers therefore ending their basketball season. Ronnie Staley was high point man with seven points.

CONGRATULATIONS TO JOHN, ROGER, AND
BUDDY!

This year the Rovers are proud to have three boys on the All County Team. Two seniors were John Baber, and Roger Ward. The junior was Buddy Williams. Also to Buddy was awarded the Oscar for the best foul shooting on the team. Congratulations boys.

ROOTSTOWN FOOTBALL—1951

On August 20 approximately 25 boys met for the first time with their new coach, Howie Wolfgram. He had lettermen Roger Ward, John Baber, Elmer Rieminschneider, Ronnie Staley, Bruce Whitted, and Ted Morter to start his team. Ronnie Staley was elected captain.

We drew Garfield as our opponent in the pre-view and worked on even terms with neither team scoring.

In our first league encounter of the year we traveled to Mogadore to play an experienced Randolph team. This was the first game they made errors which cost them the game. The final score was Randolph 14, Rootstown 7.

The next week we traveled to Jefferson for a non-league tilt. The team showed great improvement from the previous week although we lost 32-19. Roger Ward and Bruce Whitted both scored in the game.

We settled down the next week for the game with Garfield. It was our second league game, and we were in need of a win. It was a very hard fought game with neither team scoring until the fourth quarter when Whitted cut through tackle for the score. Final score: Rootstown 6, Garfield 0.

After having hit the win column they were determined to stay there, as they traveled to Atwater the following week. With Ronnie Staley throwing to Ward and Morter, and the halfbacks running

wild, we beat them for the first time in eleven years 26-13.

Playing at home the next week we played a rugged and determined Windham team. It was not until the third quarter that we were able to score. Then Ray Sheffield raced around left end and scored. Windham's two points came as a result of a blocked kick. The final score: Rootstown 6, Windham 2.

Southeast who was our next opponent offered us very little resistance as we rolled over them 47-0. Everyone who played in this game saw lots of action.

After having won four straight we were determined to finish the season without another loss. We took Ravenna Township in stride by a score of 25-13, and then we braved the weather at Suffield to slip and slide to a 12-6 win.

The final game of the year, in which the seniors would be playing their last game of football for Rootstown we took Mantua by a score of 40-12. Bruce Whitted scored four times to win the county scoring honors.

Rootstown, with their two new coaches, Mr. Wolfgram and Mr. Wilson, had a very good season. There will be five on the football team who will graduate this year. They are John Baber, Roger Ward, Wayne Dundon, Edsel Harris and Bob Ward.

There will be three Rootstown boys on the all-county team, they are John Baber, Roger Ward and Bruce Whitted.

THE NEW SCHOOL

Work was begun on our new school this year which is desperately needed to accommodate our rapidly increasing enrollment. It is to be an extension of our present high school. There will be two shops, one for mechanical drawing and the other for metalwork and woodwork. A Home Economics suite of three rooms will include a food laboratory, a homemaking and a clothing department.

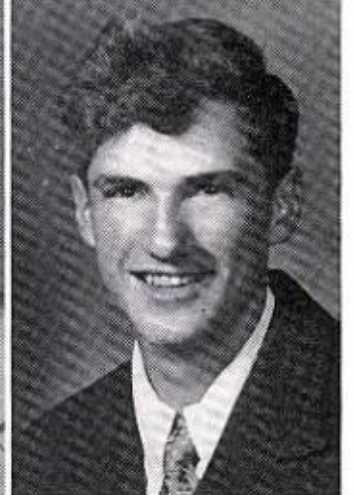

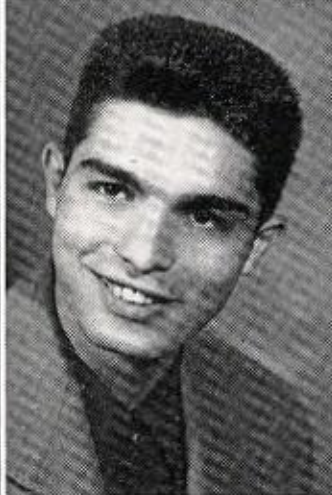

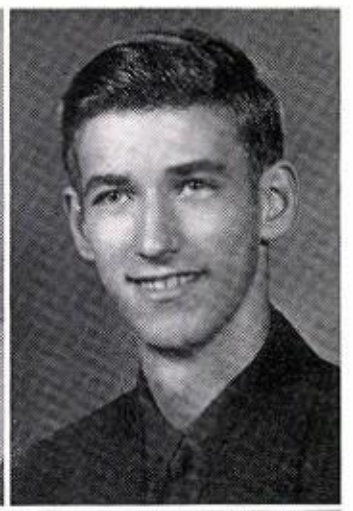

The Music Department will have a main circular room, an instrument room, and three practice rooms. Our new office will have a vault and a reception space. The Commercial Suite will include a bookkeeping office, practice and typing rooms. The gymnasium will be 96' x 72' with a playing floor of 84' x 50'. The folding bleachers will seat 600 people. And in the Athletic Department, there will be locker rooms, showers, storage space and instructors' offices for both girls' and boys' physical education. We will have a new cafeteria seating 350 with adequate kitchen walk-in refrigeration and scullery.

The library will have work and conference rooms. Two rooms will be for special activities. The Science Suite will include General Science, Biology, a Chemistry and Physics Laboratory, and a Science Lecture room. The nine general class rooms will have green glass blackboards. The Art Room will include a sink and special cork bulletin boards. There will also be a health room, men and women teachers' rooms, and two book storage rooms.

Our present school has a fine staff of teachers this year. A new feature has also been added. Three types of diplomas will be given to graduating seniors. A general diploma for those students who took a wide selection of subjects and who are not planning to go on to college.

The Academic diploma will be given to those students who have followed a strict course of study and are future college students.

The Commercial diploma is given to those planning to enter a business college or go into secretarial work.

NEWSPAPER

The newspaper staff prepares another edition of the school paper. The "Bombshell" is a new activity this year edited by the seniors and sponsored by Mr. Kovach and Mr. Truscello. Juniors, sophomores, and freshmen also play an important part in helping to gather news and current gossip items.

The "Bombshell" was started to give the students a new activity and a chance to voice their opinions on matters concerning the school. It also gives the students and teachers a closer relationship.

Pictured left to right are: Shirley Ryan, Editor; Eleanor Simonetti, Typing Editor; Marian Bertram, Business Editor; Stanley Permowicz, Humor Editor, and Ceatta O'Sako, News Editor.

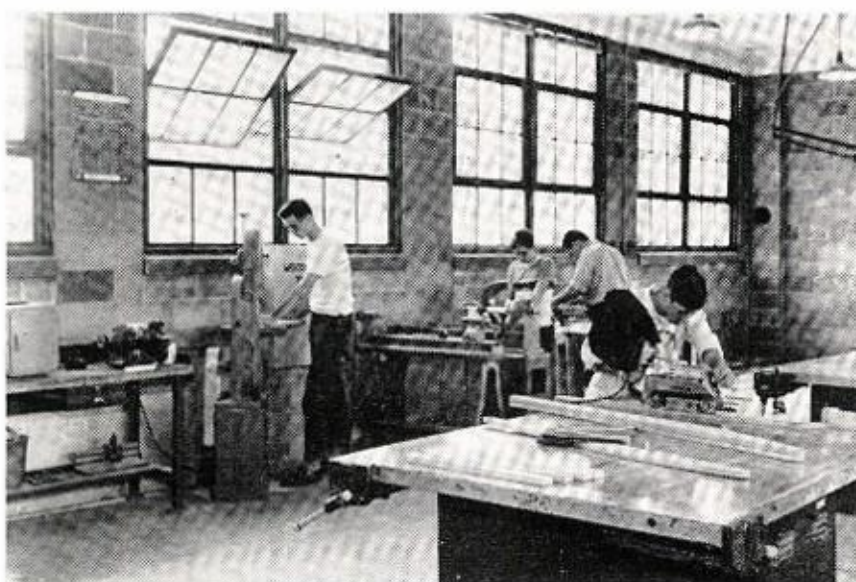

FORENSICS

Ceatta O'Sako supplies a light moment for the Prince of Peace contestants who worked hard to bring recognition for Windham in the Forensic field.

The group competed at Massillon and Stow, Ohio, and won four first-place awards, three seconds, and several thirds.

Ceatta placed first in the county contest at Kent, Ohio.

The activities of the group were not confined to rhetorical controversy. Pantomimes, humorous declamations, and original oratory constituted a major part of the speech groups' class activities.

INDUSTRIAL ARTS

Our Industrial Arts department will have a bright outlook with an area in the new building for: Woodworking, plastic and metal working, welding, founding. There will be a special section for mechanical drawing and one for auto mechanics.

The present shop building is somewhat limited in its facilities but its cleanness and neatness of order make it an outstanding department.

The shop instructor is well-grounded in his field. He excels in woodworking and the art of plastics and metals. This course is one that is well worth the consideration of every high school boy.

CHEMISTRY

The laboratory method of preparing Hydrogen is one that needs concentration. Joel Harvey and Tom Doherty try their luck at it as a part of the regular experimental procedure in the Chemistry lab.

Facilities for extensive laboratory work will soon be enlarged as a part of the building program now being carried out.

ART

Art is now one of the courses offered on the Windham High School curriculum.

In this course an attempt is being made to perfect drawing skills and to introduce new art techniques. Classes are also being taught in figure sketching, portraiture and lettering.

Another facet of the Art groups' activities is water-color painting of outdoor subjects when the weather permits. Thus the students are given some training in scenic painting.

An Art Club has also been formed to promote student interest in art, and to provide an outlet for talented students. The club also sponsored a masquerade party at which prizes were given for the most original costumes. Proceeds from such activities are used to finance other Art Club programs.

HOME ECONOMICS

One project of Home Ec. III was to send sixteen Christmas boxes to former W. H. S. students now overseas. The cookies and candy were made in class, wrapped, packed in tin boxes lined with funny papers, and mailed so that they were received by the Holiday season. Christmas greeting cards were made by the Art Class, addressed by the Home Ec. girls, and sent to all Windham servicemen whose addresses were available.

Other classes made various Christmas decorations, cookies and candy appropriate to the season.

LIBRARY

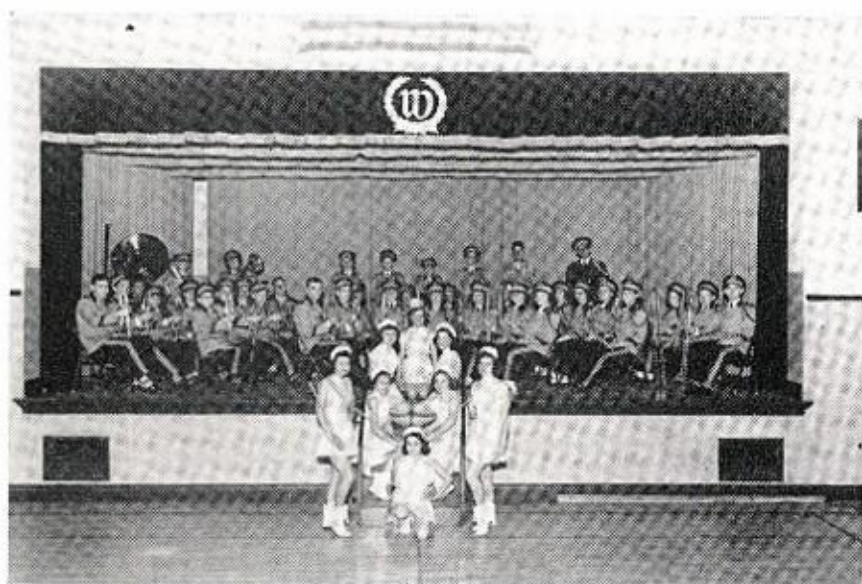

This year our school librarian, Mrs. Wellwood, has formed a library club. That is, several students were selected to care for the library. Their duties are: marking out books and assessing the new ones coming in. Both the high school and grade school received many new books. One will always find good advantage being taken of these whenever one may chance to visit the library. In addition to the new books received, Mr. F. Corey of Newton Falls recently donated a large number of books to be used in the library.

TYPING CLASS

This year at Windham the typing classes can boast of their possession of new textbooks. They are now using 20th Century Typewriting, Fifth Edition.

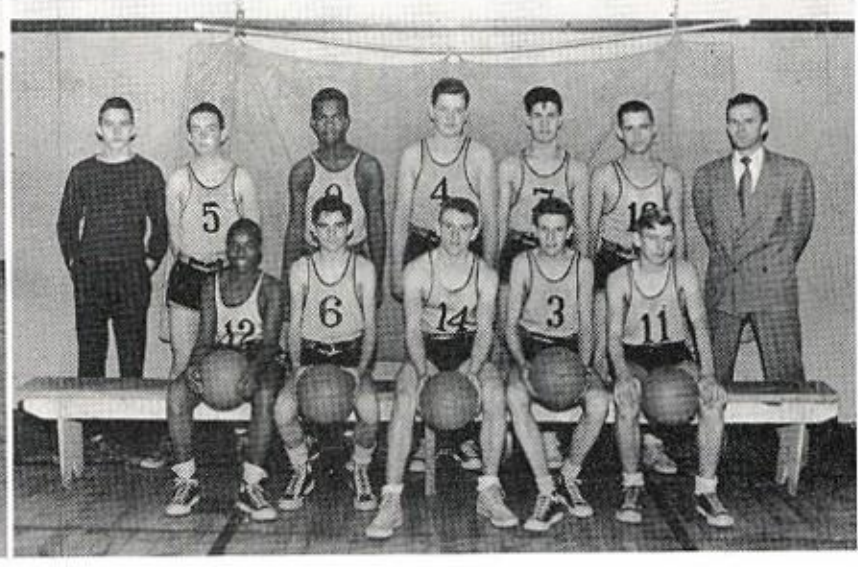

The second year typing students enjoyed a unit on Art-typing. Many excellent pictures were created with the typewriters.

A film on the use of the electric typewriter was shown to the typing classes. They are hoping to have one or two of these machines in the commercial department of the new building. In fact, everyone is anticipating a well-equipped business machine and office practice room for next year, to better train Windham's students for the commercial jobs they desire after graduating.

THE WINDHAM BAND

The Windham Band has improved much in the last six years. Six years ago it was a six-piece band that was courageously "practicing away." Today our forty-five piece band, still bravely "tooting," can well be called courageous. Yes, because at this stage of the building project, the band does not have a place it can call its own. With the help of Mr. Jenkins, Band Booster Club, Windham School Board and friends of the band, the Windham Band has acquired new uniforms, some new instruments and a fair library. The splendid majorettes, headed by Helen Pinney, complemented the band at all football games.

The local newspapers provided Windham with a lot of publicity for the team which included pictures of the team, its managers, coach and cheerleaders.

The Record-Courier All-Star team was dominated by Windham players. Al Kinney was named

as a co-captain while Don Sampson and Do-Do Permowicz were also chosen for the team.

Although the varsity will be graduating seven seniors out of the 10 members on the squad, there will be plenty of good reserve material to join with the remains of this year's team to provide plenty of thrilling contests next season.

BASKETBALL

Coach Clayton West's Portage County League Champs did it again this year—but even better! The Big Bombers had plenty of height and even more basketball skill. The Windham captain, Al Kinney, is a 6' 2", 185-pound forward. The team ranged in height from 5' 6" to 6' 4".

This year, as last, Windham sponsored the Christmas vacation tournament. The Bombers played host to Madison, Uniontown, and Ravenna Township. In the first round Uniontown defeated Ravenna Township and Windham defeated Madison. Windham beat Uniontown to receive the trophy. An All-Star team was chosen by the coaches of the participating teams. Al Kinney and Don Sampson were named on the team and Al also received the trophy for the outstanding player of the tournament.

The schedule of games this year was quite full, and Windham got an opportunity to play a number of schools out of Portage County.

The high-flying Bombers had little trouble in capturing the League Championship again this year. And in the Portage County tournaments, the team easily walked away with first place honors.

The Sectional Tournament at Kent's new field-house proved to be a bit tougher, but the Bombers came through on top by defeating both Hartville and Boston Local. These victories brought home to Windham the fourth trophy of the season.

The District Tournament brought Windham's first defeat in 26 starts. It took a tough Amherst squad to succeed in stopping the powerful Bombers.

An enthusiastic crowd of fans followed the team to all the games. The showing at home games this year was grand as far as attendance was concerned.

Football Team

FOOTBALL

The Bombers had a successful season with five victories. After three straight wins they were hit hard with injuries and lost their next two contests. Their only tie was with Madison, which was the last game of the season. That game will long be remembered by the team and spectators. It was at Madison under the lights on a freezing, November night. The field was covered with snow and still more coming down. It was so cold that the lights used to light the field were breaking under the intense strain. After four quarters of this weather neither team had scored, and the game ended with a score of 0 to 0.

The Bombers tallied 136 points opposition,

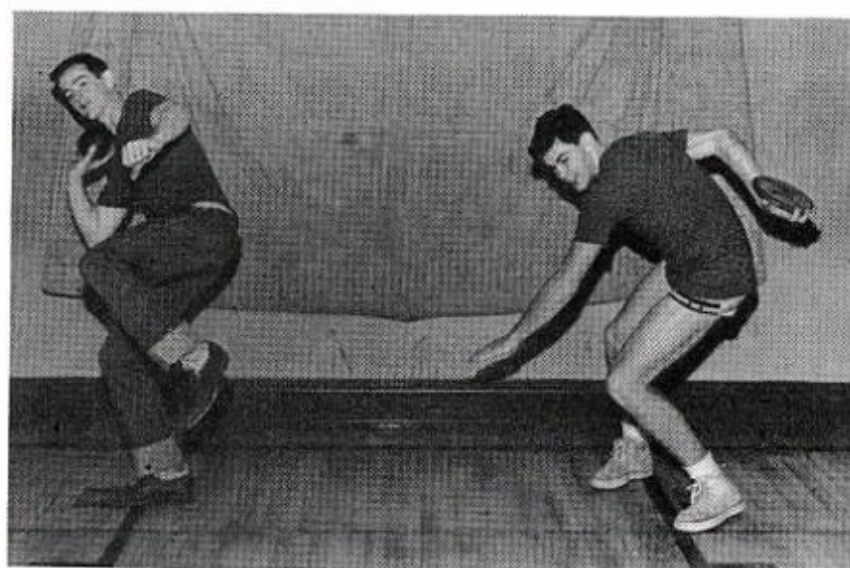

while having only 40 being scored against them.

Windham's chief ground gainer was Jack Christopher, who picked up 516 yards on the ground and received seven passes for 90 yards, making a total of 606 yards. He had an average of 5.3 yards per try. He was trailed by Al Kinney who had 287 yards, and an average of 5.2 yards per try. Cinching third position was John Campbell who had 247 yards.

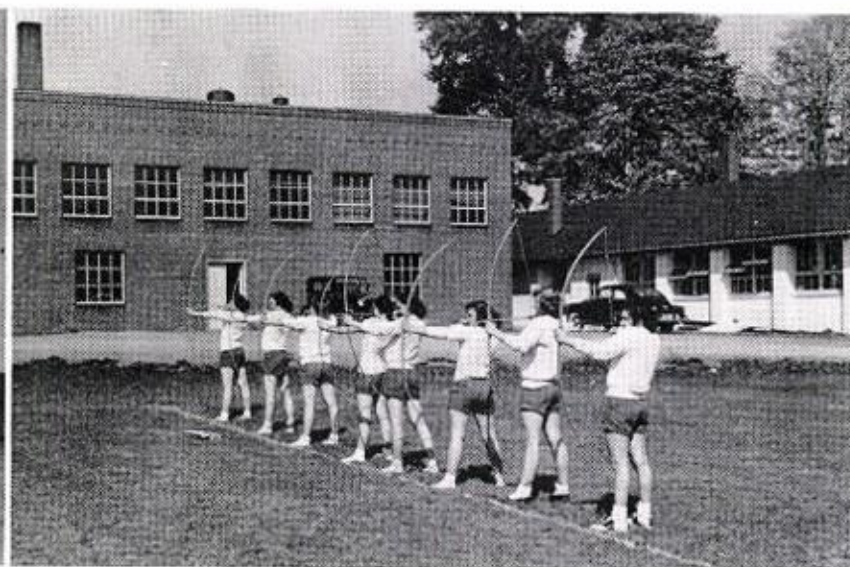

The Windham team will be without 12 graduating seniors, all lettermen, including their captain of two years, Clair Liddle. But you can also be sure the 1952 squad, captained by Don Sampson and Pat Strohm, will have power, plus a few tricks up their jersey sleeves.

CHEERLEADERS

Adding to the success of Windham's grand athletic program this year are the Cheerleaders who were chosen by the student body. They are Ceatta O'Sako, senior, Judy Eckman and Millie Anderson, juniors, and Anne Firtik, sophomore.

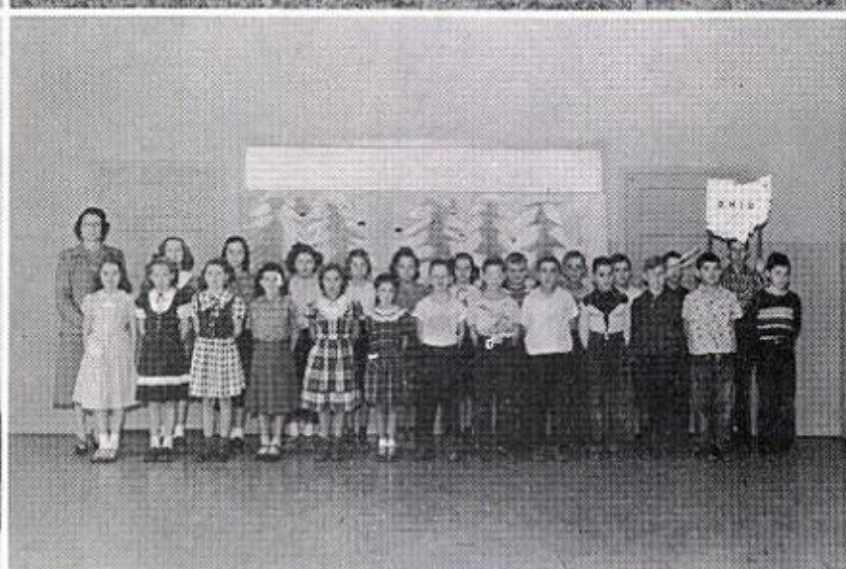

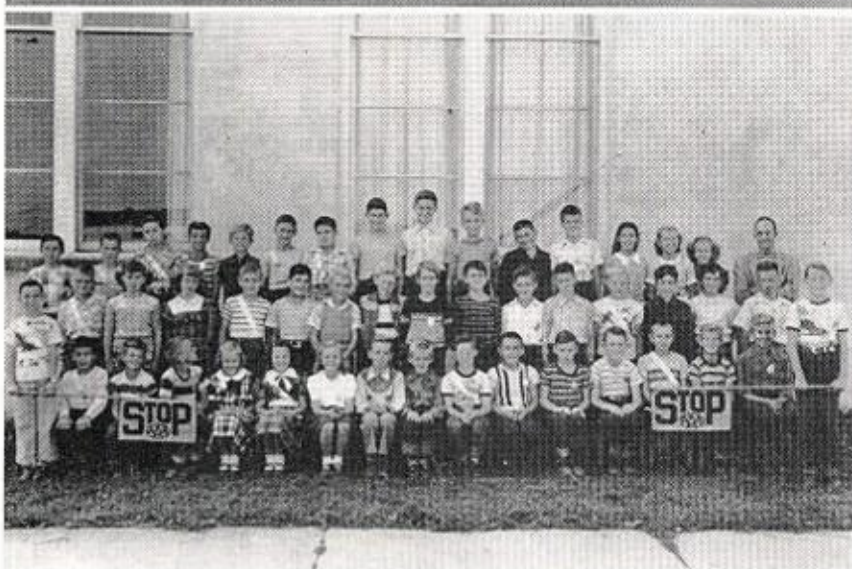

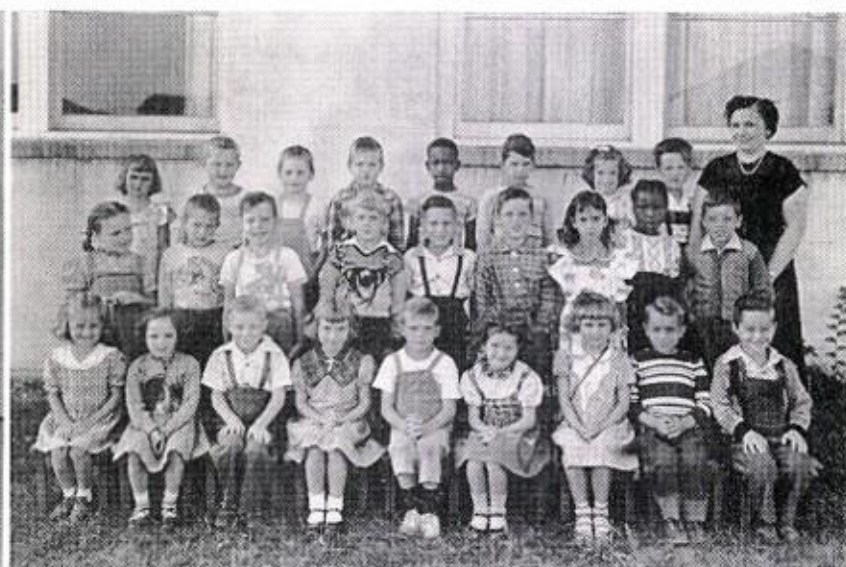

This year the girls were decked out in snappy new uniforms of black velvet and gold taffeta. We may add that they cheered as well as they looked in their new outfits. The girls spent their noon hours practicing every day. The snake dances held during football season and the pep rallies for basketball were conducted very effectively by our cheerleaders. We can readily say we are quite proud of them.

SAFETY PATROL

Captain of Patrol—Jim Smalley.

There are 44 boys and girls on the patrol force. Their duties are to assure the safety of the school children at street crossings, on the playground and in the halls of the school building. They have a great many responsibilities and have done a very fine job in living up to them. They have been given a Christmas party at the Ravenna Theater, and are going to the Akron Armory for wrestling matches on Saturday, January 26. They will go to see the Cleveland Indians play a ball game this spring.

MRS. JENKINS FIRST GRADE
THE STORY OF OHIO
In Song and in Words

A program prepared by Jean H. Tavolario, Music Supervisor of the Elementary Grades of Windham Schools, and given by Fifth Grade Selected Choir was presented in the fall for the Annual Schoolmasters Dinner Meeting.

The program given in song and words gave highlights of Ohio, the river, the state and finally a history of Windham, a town in Ohio.

The theme song was "The Beautiful Ohio." Lyrics by Ballard MacDonald and music by Mary Earl were sung and played at frequent intervals during the reading of stories about Ohio.

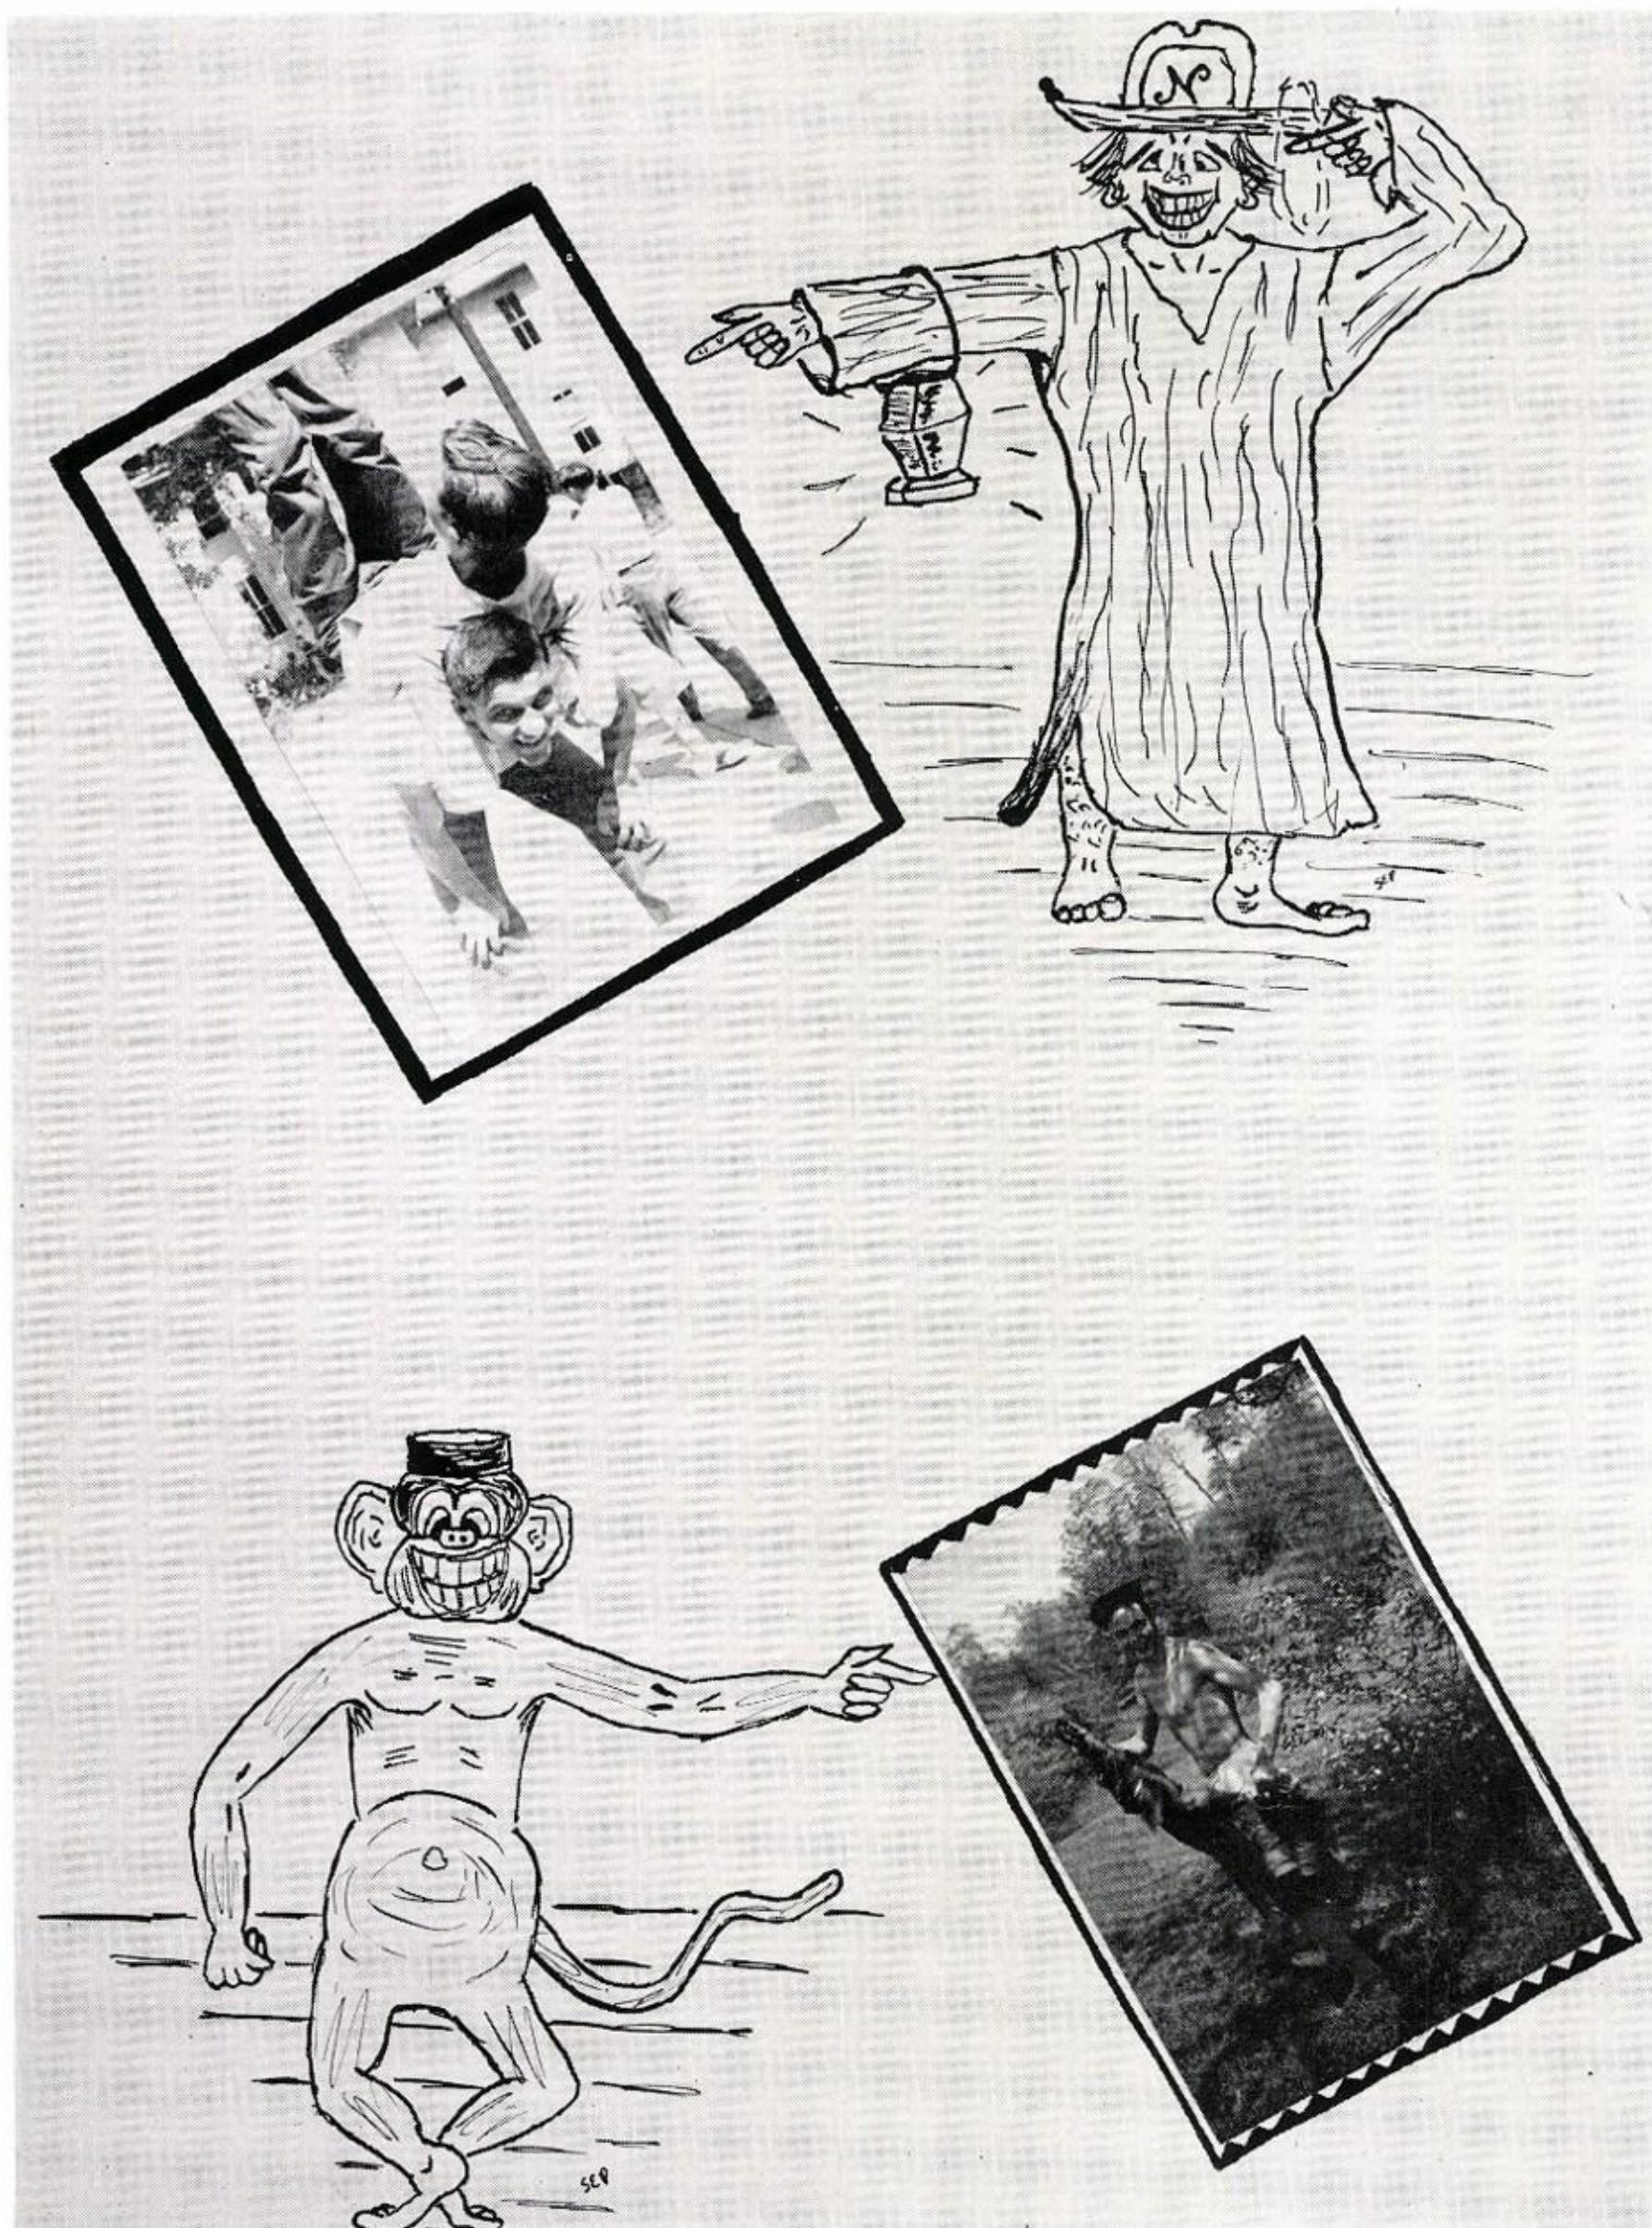

About thirty-five students, chosen for their singing, declaiming and acting, participated in the program.
